Just because your wedding day is going to make a huge impact on your life doesn't mean it has to do the same to the planet. Angeleno brides have tons of earth-friendly clothing, food and location options--so even if your behavior gets a little gorilla-esque, you don't leave King Kong-sized carbon footprints.

THE BIG DAY

The Ambrose

1255 20th St, Santa Monica, CA

This Santa Monica beauty is a **K Hotel**, which has just announced it's gone "green." So hosting your soiree here, or booking guests should make you feel guilt-free.
